

# Grades 5-8 STEM Classes!

**Classes:**

**3D Printing**

**Website Design**

**Game Design**

**Fashion Design– Wear the garments YOU design!**

**Minecraft – Create your own Adventure Map!**

**Time: Tuesdays, 4pm-5pm**

**Dates: 1st Tuesday in October through 1st Tuesday in December  
(no classes week of Thanksgiving)**

**Questions: email us at [info@stemsforyouth.org](mailto:info@stemsforyouth.org) or check the website!**

**[Register: www.STEMsForYouth.org](http://www.STEMsForYouth.org)**

**All of our classes use platforms kids love as a conduit to teach them a combination of English, Math, Technology, Teamwork, 21st Century skills and more. They learn while having fun! To see detailed class descriptions, visit [www.STEMsForYouth.org](http://www.STEMsForYouth.org) and click on Class Descriptions.**

STEMs For Youth is a non-profit organization that helps youth grow and flourish in the fields of STEM (Science, Technology, Engineering, and Math) while developing their creativity. We are youth mentoring youth with expert advisors. Students sometimes don't see the value of learning STEM subjects in school. Our mission is to change that perception and infuse them with excitement and the ambition to learn more! You can get more information at our website: [www.STEMsForYouth.org](http://www.STEMsForYouth.org) or email us at: [info@STEMsForYouth.org](mailto:info@STEMsForYouth.org) or call: 513-225-8545.  
(If this would be a financial hardship for your family, please contact us at [info@STEMsForYouth.org](mailto:info@STEMsForYouth.org).)

**While teachers from various schools are consulted in the development of this curriculum, this activity is not sponsored by Loveland City Schools.**
